PLACEMENT BROCHURE

NILAI

GROUP OF INSTITUTIONS, RANCHI

(Approved by AICTE New Delhi, Ministry of HRD, Govt. of India)
(Govt. of Jharkhand, Affiliated to Ranchi University & SBTE)

Shaping
Careers NILAI

- Excellent and easily accessible locations in Ranchi.
- Systematic plan to develop much needed intellectual capital.
- A sustained commitment to work for the betterment of the students coming from different sections of the society and enabling them to maintain a contact with the expert from the Industry.
- Summer internships for enhancing employment prospects.
- Setting up of new benchmarks by establishing the first FM Community Radio Channel ;96.9' in the private sector in Ranchi
- Comprehensive education and research programmes aimed at a thorough understanding of the Global Economy.

Vision

To harness the knowledge of engineering science & business Management for the welfare of the society. To create Excellent learning ambience through innovation in teaching, research and consultancy for producing professionals capable of answering global challenges and demonstrating high ethical and moral standards. To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions.

Mission

To develop Nilai as World Class Education Centre and to impart Knowledge to our Students in an ambience of Humanity, Wisdom, Intellect, Knowledge, Creativity & Innovation, in order to nurture them to become Culturally and Ethically rich Professionals with bright future.

- Objective**
- To provide quality technical education.
 - To prepare students to develop all round competitiveness.
 - To extend the frontiers of knowledge through Research and Development.
 - To develop good communication skills among students.
 - To inculcate in the minds of students a sense of value and to equip them to serve the society well.

The impact of the rapid pace of transformation in industry and business has triggered a change in executive mindsets. This has made it imperatives for graduates, aspiring business persons and professionals to equip themselves with the latest know-how and best practices. Versatile management training is indispensable as it provides the requisite skill sets to the corporate world and successfully provides career opportunities. In order to meet the growing demands for Civil Engineering, Mechanical Engineering, Electronics & Communication Engineering, Computer Science & Engineering, Electrical & Electronic Engineering, Polytechnic (Diploma) and MBA courses and with the help of handsome donation from the NET, NILAI was established in 2010. The institute commenced its activities with starting of Masters Degree Programme & Undergraduate programmes.

Why the word "Infrastructure"? The Oxford Advanced Learners Dictionary defines "Infrastructure" as the basic structures and facilities necessary to function efficiently. Our dedication has helped many students lay down "the structures and facilities necessary" to become respected practitioners in their various fields. We ensure that each student is thoroughly equipped and empowered to meet future challenges by preparing them holistically today. The education that NILAI provides, will always balance you and you will find your mind changed, your practical skills honed and your social interaction skills enhanced.

Smart Classrooms

Lecturers are meant to infuse and develop in the students the analytical, conceptual, presentation, communication and application oriented skills. The class rooms and lecture halls are well furnished with advanced teaching aids like multimedia projectors and other technical equipments which make teaching more occupying and interactive. The simulated teaching software helps the students to understand the process in highly visualized way.

Classrooms are well lit, airy and equipped with remote controlled LCD multi-media projectors, Public Address System, collar & cordless microphones and computers and RFID system with identity cards. We have also introduced the Biometric attendance system all over the campus.

Auditorium

NILAI Group of Institutions takes pride in exhibiting a state-of-art auditorium, located at the heart of the campus. It has been constructed keeping in mind the smallest of details and is well equipped with the latest technology. As a result of the world-class infrastructure NILAI Group of Institutions over the years has been ranked among the 'Top engineering college in Jharkhand'. Auditorium is a multi-use concert hall with wonderful acoustics and a warm and welcoming ambience. It is a perfect venture for non-academic and academic events such as musical, dance and theater performances, as well as lectures, conferences, videos respectively. The Auditorium has a seating capacity of 550 people and is centrally air-conditioned. It contains state-of-the-art lighting and a full range of audiovisual equipment. It houses a Dolby surround sound system and has a very powerful and specially imported projector for multiple uses ranging from showing slides to watching motivational videos and high resolution movies.

Library

We have a well stocked library with an extensive collection of latest books by Indian and International authors on varied engineering and management subjects. The library also has the subscription of multiple national / International magazines and journals as well as subscription to Digital Libraries. An LCD TV for news viewing and stock market updates is installed in the library.

NILAI has a 2 storied 10000 sq. ft central library and 3 other libraries dedicated to various disciplines to provide to the students, faculty and staff an opportunity to explore a world of knowledge in a conducive atmosphere.

- The libraries are housed with a rich collection of text and reference books, journals, magazines, audio/video, CD-ROMs, research reports, online journals and databases and data analysis software etc. in all areas of study in all disciplines
- Use of RFID system and LIBSYS software in the libraries, which has made book issuing and return a completely automatic process.
- WEB OPEC catalog (online catalog) software which enables the library users to know the availability and request or reservation books and other reference material available in the libraries from the comfort of their hostels and houses.

Computer Labs

Institute has state of the art computer labs with high speed, leased line internet connectivity with power-full servers for students, administration and management. Computer labs are provided with UPS power back - up.

Other facilities include Linux mail server, Anti-virus software and fire wall protection. Each student is provided with personal user ID and password with adequate storage space on students server.

Wi-Fi Campus

Entire campus has 24x7 wi-fi internet connectivity. Students are encouraged to maximize their learning and computer skills by constant use of their computers / laptops for research, making notes, submissions and presentations.

Sports

Institute has indoor facilities like Carom, Table Tennis, Chess etc. The sports committee encourages the students to get energetic and invites them to join the fun. It is the responsibility of this committee to encourage sports through a competitive spirit on and off the campus through outdoor training and picnics which are organized frequently.

Transport

NILAI has dedicated fleet of buses moving to and fro to the campus from different area in and around Ranchi. Vehicle parking facility is also available at designated places in the institute and may be availed by day scholars and hostellers.

Cafeteria

Campus has multi cuisine cafeteria with a juice bar. Food is available on monthly basis. Our cafeteria offers a complete range of services, including breakfast, lunch and dinner. Our canteen / snack services are full fledged with FMCG products, confectionery items, assorted drinks, tea/coffee, fast food, fried snacks, mini meals etc. It is compulsory for students to avail cafeteria facilities during classes as students shall not be permitted to leave campus during breakfast and lunch breaks on working days.

Hostel

NILAI has fully furnished accommodation for 250 girl students within the campus that is allotted on first come first serve basis. Currently 400 students are availing hostel accommodation arranged by NILAI. Furnished accommodation is available on cot sharing basis (2-4 per room) at the rate of Rs. 2000/- per month in the Institute campus and city also. Hostel accommodation for the first year students is compulsory except local students staying with their parents.

Special features of Hostel

- Well ventilated emote a pleasant feeling that enhance the mood for learning.
- Wi-Fi hostel with PC connection enables to complete their tasks in time.
- 24 hours security is provided for each hostel block.
- Electrical backup with a dedication system / Aqua Guard for drinking water & Solar water heating system.
- Fixed timing and strict discipline for residents.
- Mini infirmary with provisions of 24 hours van service for students to be taken to hospital for medical emergencies.
- Ragging Free environment.

Academic Programme
